Data Set Overview

The table below lists each of the files available for analysis with a short description of what is found in each one.

| File Name | Description | Fields |
|----------------|------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ad-clicks.csv | A record of each ad that was clicked on. | <p>timestamp: date / time the click occurred.</p> <p>txId: a unique id for the click</p> <p>userSessionid: the id of the user session for the user who made the click</p> <p>teamid: the current team id of the user who made the click</p> <p>userid: the user id of the user who made the click</p> <p>adId: the id of the ad clicked on</p> <p>adCategory: the category of ad clicked on</p> |
| buy-clicks.csv | A list of purchases. | <p>timestamp: when the purchase was made.</p> <p>txId: a unique id (within buy-clicks.log) for the purchase</p> <p>userSessionId: the id of the user session for the user who made the purchase</p> <p>team: the current team id of the user who made the purchase</p> |

| | | |
|------------------|-----------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | <p>userId: the user id of the user who made the purchase</p> <p>buyId: the id of the item purchased</p> <p>price: the price of the item purchased</p> |
| game-clicks.csv | A record of each click a user performed during the game. | <p>timestamp: when the click occurred.</p> <p>clickId: a unique id for the click.</p> <p>userId: the id of the user performing the click.</p> <p>userSessionId: the id of the session of the user when the click is performed.</p> <p>isHit: denotes if the click was on a flamingo (value is 1) or missed the flamingo (value is 0)</p> <p>teamId: the id of the team of the user</p> <p>teamLevel: the current level of the team of the user</p> |
| level-events.csv | A record of each level event for a team. Level events are recorded when a team ends or begins a new level | <p>timestamp: when the event occurred.</p> <p>eventId: a unique id for the event</p> <p>teamId: the id of the team</p> <p>teamLevel: the level started or completed</p> |

| | | |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | <p>eventType: the type of event, either start or end</p> |
| team-assignments.csv | <p>A record of each time a user joins a team.</p> | <p>timestamp: when the user joined the team.</p> <p>team: the id of the team</p> <p>userId: the id of the user</p> <p>assignmentId: a unique id for this assignment</p> |
| team.csv | <p>A record of each team in the game.</p> | <p>teamId: the id of the team</p> <p>name: the name of the team</p> <p>teamCreationTime: the timestamp when the team was created</p> <p>teamEndTime: the timestamp when the last member left the team</p> <p>strength: a measure of team strength, roughly corresponding to the success of a team</p> <p>currentLevel: the current level of the team</p> |
| user-session.csv | <p>A record of each session a user plays.</p> <p>When a team levels up, each current user session ends and a new session begins with the new level.</p> | <p>teamId: the id of the team</p> <p>name: the name of the team</p> <p>teamCreationTime: the timestamp when the team was created</p> |

| | | |
|-----------|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | <p>teamEndTime: the timestamp when the last member left the team</p> <p>strength: a measure of team strength, roughly corresponding to the success of a team</p> <p>currentLevel: the current level of the team</p> |
| users.csv | A record for each user playing the game | <p>timestamp: when user first played the game.</p> <p>userId: the user id assigned to the user.</p> <p>nick: the nickname chosen by the user.</p> <p>twitter: the twitter handle of the user.</p> <p>dob: the date of birth of the user.</p> <p>country: the two-letter country code where the user lives.</p> |

Aggregation

| | |
|--------------------------------------------------|----------|
| Amount spent buying items | \$ 21407 |
| Number of unique items available to be purchased | 6 |

A histogram showing how many times each item is purchased:

A histogram showing how much money was made from each item:

Filtering

A histogram showing total amount of money spent by the top ten users (ranked by how much money they spent).

The following table shows the user id, platform, and hit-ratio percentage for the top three buying users:

| Rank | User Id | Platform | Hit-Ratio (%) |
|------|---------|----------|---------------|
| 1 | 2229 | iPhone | 11.5% |
| 2 | 12 | iPhone | 13% |
| 3 | 471 | iPhone | 14.5% |
